Christian Speaker &
Women's Ministry Leader

Meet Marlo

Marlo Hogue is a triumphant voice of faith-based resilience who has discovered the unstoppable power of God's grace through 30 years of walking in victory over complex chronic illness. Known as **Raydiant The Warrior Encourager™**, she brings a radiant perspective forged through learning to Catch Breath, Press On, Keep Greening, and Lean Back in complete trust.

Through three decades of ministry leadership as Minister of Music, Women's Ministry Co-Director, and Director of Ministry of Arts & Hospitality, Marlo has equipped Christian leaders representing 2500+ members while navigating dialysis, a kidney transplant, and continued service. Her journey reveals how the Holy Spirit transforms life's greatest challenges into powerful ministry opportunities.

With 25 years of speaking and teaching experience, Marlo understands ministry from every angle. She is stepping into full-time speaking because she believes with unshakable conviction that **the story of God's goodness must be told and even if life feels shattered, it is not over**. Through 30 years of walking with Lupus and 21 years as a kidney transplant recipient, **Marlo teaches women how the Holy Spirit transforms suffering into radiant ministry**.
